Membership in NAMC-NorCal requires as a condition of membership commitment to enhancing the status of minority individuals in the building and construction trades. Please provide the following information describing your firm's (or agency's) efforts over the past three years geared toward enhancing the status of minority individuals in the building and construction trades. You may attach additional sheets if necessary.

List the public projects that your firm/agency has worked on where efforts were taken to maximize utilization of certified minority-contractors firms:

Haven't worked on any public projects yet, but as a Veteran Minority owned small business, we're always looking to partner with fellow diverse small businesses and it is in the DNA of our company.

Provide specific examples of those efforts:

We've bid or provided estimates on a number of projects with other small businesses as a subcontractor.

In the column below, provide three certified firms involved with those projects:
